## about

American born in Long Beach, California; lives in Amsterdam and works there & anywhere in-between.

De Witt explores the continuum between the present (Image) and memory (Afterimage). She is interested in how we are, how we aren't, and how we can be present with the world and with the people around us. Her practice primarily culminates in the creation of drawings and paintings on paper.

## education

2015 // **MA, Painting**, Royal College of Art, London

2011 // **BFA, Drawing & Painting, and Graphic Design**, Cum Laude, California State University, Long Beach

2008 // **CSU Summer Arts Drawing & Painting in Florence**
